Dear Pastor,

It is my real joy to be able to recommend David & Sheila Crossman, missionaries with Baptist Missions To Forgotten Peoples, Inc. They have been with us since 2004. They are now faithfully serving the Lord to the prison ministry in Canada, which is a needy and overlooked ministry in that country.

Being born in Canada, Brother Crossman has Canadian citizenship. This is a real advantage to them and has opened many doors of opportunities for service. To my knowledge, there is very little being done to reach the inmates with the Gospel in the prisons of Canada.

They stepped out by faith knowing the Lord has called them to reach those who have been chained by sin and basically overlooked with the Gospel. In this day and age when many are seeking the limelight in the service of the Lord, it is so refreshing to see a couple yield their lives to work in a ministry to unshackle men and women from sin with the power of the Word of God.

In 2011 they moved to Prince Albert, Saskatchewan where they joined Beulah Land Baptist Church.. They were able to establish an RU program in the church and add faith-based addiction programs in prisons. A home for ladies is a future goal. At present they have six faith-based addictions programs operating in two facilities, plus chapels, one faith-based anger management class and work regularly on a native reserve.

I would like to encourage you to have David & Sheila Crossman present their ministry in your church and consider them for missionary support. I know that they would be a blessing to you and your church.

Thank you for this consideration.

Yours for Souls for Christ,

Dr. Gene Burge
